

DOUBLE the quilting FUN of the original.

◆ diamonds.

Cut a 5½" strip and crosscut into diamonds using the **Polygon Tool**. Place the fabric "Right-side" up before cutting with the tool.

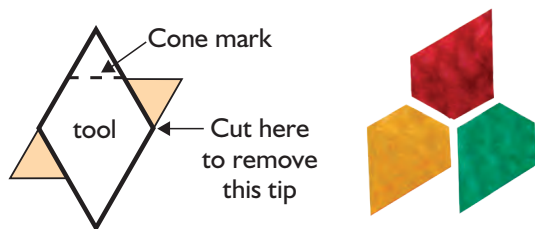

◆ cones.

Step 1. Cut diamonds. (see Diamonds)

Step 2. Place the Polygon Tool cone mark even with the top edge of the cut diamond.

Step 3. Trim the tip of the diamond on one end.

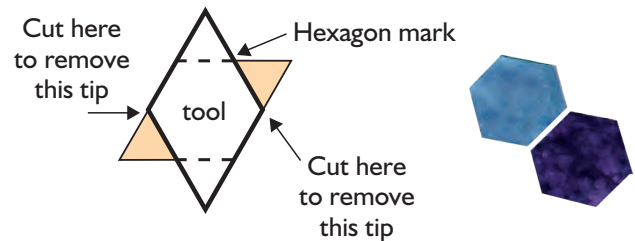

◆ hexagon.

Step 1. Cut diamonds. (see Diamonds)

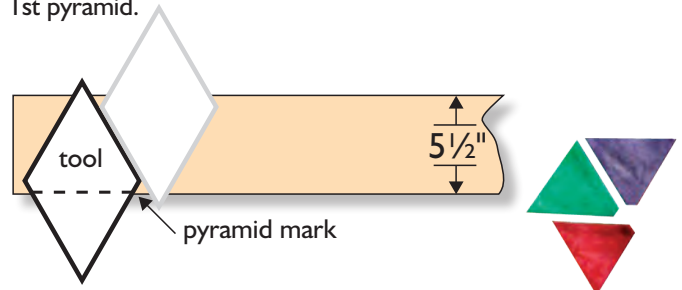

Step 2. Place the Polygon Tool hexagon mark even with the top edge of the cut diamond.

Step 3. Trim the tip of the diamond on both ends.

▲ pyramids.

Step 1. Position the Polygon Tool pyramid mark even with edge of 5½" strip. Cut on both sides of Tool for the 1st pyramid.

Step 2. Reverse the placement of the tool, align strip edge with pyramid mark and side of tool with cut diagonal edge. Cut second pyramid.

Step 3. Continue reversing and repeating of Step 2.
