

Bending Star Supply List

- ❖ Group A: (8) fabrics, 4 ½" x 40" each
- ❖ Group B: (2) fabrics, (2) 3" x 40" each
- ❖ Background, (2) fabrics, ⅔ yard each
- ❖ ½ yard binding

Fabric selection:

- ❖ For the Group A, chose a medium and dark from (4) color families. This gives the star the illusion of bending.
- ❖ For the Group B, chose a neutral one darker than the other.
- ❖ For the background, consider selecting (2) colors next to each other on the color wheel. The striping should be more unexpected rather than shocking.

Required special tool: Polygon3 Tool (Tools by Gyleen).

Basic supplies: Fabric scissors; rotary cutting supplies with 6" x 24" ruler; for piecing, neutral general purpose thread (gray, tan) or one that blends in with most of your fabrics; and straight pins.

NOTE: Sewing machines are provided.
