### **General supplies:**

Sewing machine with manual; ¼" foot without edge guide (if possible); (2) thread colors, one for the top and another in the bobbin and that is visible on the wrong side of fabric; seam ripper; thread snips; rotary cutter, 6" x 18" ruler and mat; straight pins; extension cord; straight pins; finger pressing tool; and batting to use as a design wall (optional).

**Gyleen's thoughts:** The center star is a classic Lemoyne Star. Select fabric that will make the star take center stage. As for the background, go for it. If you're just making a wall hanging keep the fabrics scale small to medium.
