

## Color Knots – Modern - Full Day Workshop

**Description:** Modern or Contemporary...you choose. Quick and easy, this bed quilt makes a bold or serene statement depending on your color choice. Learn to color balance as you make each Color Knot block. Fat quarter friendly or use 10" pre-cut squares. A background of two closely related solids creates intriguing negative space. It's a fun weekend project.

### Fabric requirements:

(3) 5½" x 22" strips each from each fabric for the large Kites  
Or (21) 10" x 10" squares; cut (4) large Kite per square

**Special tool:** Polygon3 Tool (\$15)

**Instructions:** Pattern (\$10)

**General supplies:** Sewing machine with manual; ¼" foot without edge guide (if possible); (2) thread colors, one for the top and another in the bobbin and that is visible on the wrong side of fabric; seam ripper; thread snips; rotary cutter, ruler and mat; extension cord; straight pins; finger pressing tool; and batting to use as a design wall (optional).

**Gyleen's thoughts:** I used American Made Brand solids collection and two shades of grey to achieve a modern look. However, the same affect can be achieved with semi-solids, batiks or small prints.
