### Fabric Requirements:

(45) 3" x 40" strips (if using FQ, cut (2) strips per fabric 3" x 22")  
1 ½ yards connector pyramid and edge fabric  
2 yards connector background pyramid and border 1  
½ yard border 2  
1 yard border 3

**Special Tools:** Gyleen's Polygon Tool

**Instructions:** Book - Polygon Affair...So Easy You'll Fall in Love

### General Supplies:

Sewing machine with manual; ¼" foot without edge guide (if possible); (2) thread colors, one for the top and another in the bobbin and that is visible on the wrong side of fabric; seam ripper; thread snips; rotary cutter, ruler and mat; extension cord; straight pins; finger pressing tool; and batting to use as a design wall (optional).

**Gyleen's thoughts:** Let me just say, I love scrap quilts therefore my first thought is to cut 3" strips from fabric you love or want to use up or a collection just begging to be used. In class you really don't need much to learn the pattern; I would say (15) strips should do it. You can decide on the connector fabric later as long as you bring (1) 3" strip of two fabrics to practice. And if scrappy is not your thing, Engage looks stunning using (5) fabrics with one fabulous border print.
