

Matchmaker – Full Day Workshop

Description: Find me the perfect match. It's bold and modern. Have you been waiting for the perfect place to showcase your novelty or ethnic fabric? Then wait no longer, this is the workshop for you. Learn quick piecing using the Butterfly Seam technique.

Fabric Requirements:

Special Tools: Gyleen's Polygon and Polygon2 Tools (\$14 and \$20)

Instructions: Pattern (\$10) from Book – Polygon Affair...So Easy You'll Fall in Love

General Supplies:

Sewing machine with manual; ¼" foot without edge guide (if possible); (2) thread colors, one for the top and another in the bobbin and that is visible on the wrong side of fabric; seam ripper; thread snips; rotary cutter, ruler and mat; extension cord; straight pins; finger pressing tool; and batting to use as a design wall (optional).

Gyleen's thoughts: For the cones, I used mid-scale prints and nothing that was as obvious directional print. For the small diamonds, I selected a neutral color which was more important to me than the scale of the print. The setting pyramids, in theory can be anything that sets it apart from the cones. However, to me this is a great place to use a bold stripe fabric. It's sure to hold center court.
